Hot and cold pack exclusion

Effective for claims received on and after April 1, 2010, Employer Provider Network, Inc. (EPNI) will no longer reimburse providers for the physical medicine hot and cold pack modality, CPT code 97010.

EPNI reviewed the utilization of the hot and cold pack therapy code and determined that this modality is used in conjunction with and/or to enhance other services performed. Thus, 97010 will be denied as provider liability, whether billed alone or with another service.

Code description

97010 Application of a modality to 1 or more areas; hot or cold packs.

Coding requirements reminder

All coding and reimbursement is subject to changes, updates or other requirements of coding rules and guidelines. All codes are subject to federal HIPAA rules, and in the case of medical code sets (for example, HCPCS, CPT, ICD-9-CM), only valid codes for the date of service may be submitted or accepted.
